

Dedicated to: Mrs. Siddall

This yearbook is dedicated to our beloved Mrs. Siddall. Mrs. Siddall served in Senegal for twenty years and has spent her life serving the Lord. After she returned to Canada, she taught grade 5 and 6 for many years, and also taught Algebra 1 and 2 for numerous years. Even though she's not the youngest teacher on staff, she's happy to go snow tubing with the kids or do an all-day trip to Toronto with all the students. She has been serving at Ethnos Academy now for twenty-three years and is well loved by all her students.

Kiera Johnstone

What's your favourite subject?

My favourite subject is any kind of math but algebra is the best!

What's your favourite thing to do?

I can't pick one, but some of my favourite things to do are being outside, being active, playing or listening to music, and spending time with family.

What is your favourite food?

My favourite food is noodles especially when they are very cheesy.

Ten years from now, what will you be doing?

Ten years from now I will likely be an Ethnos missionary in Iqaluit.

What animal are you most like?

I think I'm most like a dolphin.

Miriam Whatley

What's your favourite subject?

English is my favourite subject because I love writing and grammar makes sense.

What's your favourite thing to do?

Read (because real life is boring) and draw (because your imagination was never meant to stay inside your head).

What is your favourite food?

Sushi and pizza. Although I love basically every other Italian food as well.

Ten years from now, what will you be doing?

Running my own bookstore cafe if everything goes according to plan.

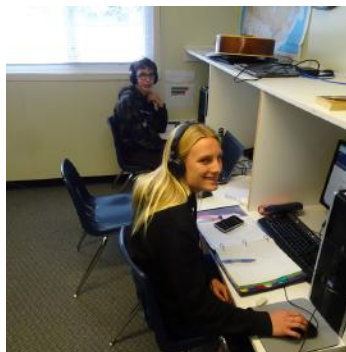

What is your favourite musical group?

Taylor Swift 100%.
